The Organisers reserve the right to postpone, abandon or cancel the meeting or any part thereof in accordance with **GCR 244**.

14. PROGRAMME OF EVENTS

- (a) The **Provisional Programme** of Events appears at the end of these SR’s.
- (b) The Organisers reserve the right to change the Provisional Programme after receipt of entries as deemed necessary and combine or split classes, should the number of entries so dictate. A final Programme will be posted on the Notice Board on race day.

15. NOTICE BOARD

The Official Notice Board is situated in the pit area.

16. PIT ALLOCATIONS

- WP CLASSES - New competitors who have not yet been allocated and invoiced for a pit will be charged a casual pit fee of R200.00 per entry.
- Only competitors who have paid for an additional pit to accommodate their trailer may park trailers in the pit area. All other trailers must be removed from the pits as soon as possible after offloading karts and equipment.
- No vehicles will be allowed past the entrance gate after 08:00 until after the last race.
- **Absolutely no cars are permitted to park along the access road behind the pits.**
- PLEASE COULD ALL COMPETITORS LEAVE THEIR PITS CLEAN AT THE END OF RACE DAY. THANK YOU.

17. ON BOARD CAMERA’S

- Competitors wishing to carry on-board cameras must ensure these are securely fitted to their karts prior to scrutineering. Checks may be carried out at scrutineering or any time during the event.
- If a competitor will be using an on-board camera, they need to declare such on their ENTRY FORM.
- Competitors are to make footage available to Officials on demand. On signing the Entry Form, competitors are agreeing to do so.
- **Refer Section E, Article 18 (xxiii).**

18. DRIVERS BRIEFING

A Drivers Briefing will be held at the time indicated on the Programme. Location to be announced. All drivers **MUST BE PRESENT IN PERSON AT THE BRIEFING**. Representatives will not be permitted. Failure to attend Driver’s Briefing, at which a register may be taken, could incur the imposition of an R 500 fine.

19. PRE-RACE PADDOCK

- Ten minutes before the scheduled start time of qualifying and of each race, competitors competing in the qualifying/race concerned, must move to the Pre-Race Paddock (grid area). The gates to the pre-race paddock will be closed five (5) minutes before the start time of that race. Any competitor failing to enter the pre-race paddock before the closure of the access gate will not be permitted to start unless specifically permitted by the Clerk of the Course to commence the warm up lap.
- **On safety grounds, it is prohibited to scrub tyres in the pits or pre-race paddock by the action of running the engine with the kart stationary and the tyres skimming the ground.**
- Only Officials and authorised assistants are allowed in the Pre-race paddock and then only prior to the start of each event or after completion of any event (heat) in Parc Ferme. At no time may more than two assistants per kart be allowed in these areas. Under NO circumstances may children who are not competing be present in these areas.

20. QUALIFYING & STARTING PROCEDURES

Qualifying

- **Refer to Section E, Article 18 (xi) (d) and (xxiv) (c).**
- All classes will qualify by means of an MSA approved transponder timing system.
- All classes, other than Cadets and Clubmans will be given a 10 MINUTE qualifying session.
- Clubmans and Cadets will start Race 1 according to their Championship points.
- Should a competitor not post a time in qualifying, he/she will be placed at the back of the grid – refer to the above Section for exceptions to this rule.
- Karts permitted additional time (re-runs) must remain in Parc Ferme with the Scrutineer.
- Karts must be weighed each time they exit the circuit for adjustments during their qualifying session.

Grids / Starting Positions (all classes)

- ***The best lap times recorded in qualifying will determine the starting positions for Race 1.***
- ***The best lap times recorded in Race 1 will determine the starting positions for Race 2.***
- ***The best lap times recorded in Race 2 will determine the starting positions for Race 3.***
- Combined classes will grid strictly according to lap times and not by class.
- The “last lap” board will be shown
- **Should a competitor post a time in qualifying that is slower than 107% of that of the pole time, he/she will be permitted to start the first race at the sole discretion of the Clerk of the Course.**
- **Cadet Parents/Guardians: At the discretion of the Clerk of the Course, 1 (one) parent/guardian/assistant per driver may be permitted on the circuit and only after an Indemnity Form has been signed.**

Starting procedures:

- **Refer to section E, Article 18 (ix - xiv).**
- The method of starting for all classes will be by a rolling start.
- **Cadet class only:** Should a “wet weather” race be declared by the Clerk of the Course, the Cadet Class may start a race from pit lane (no warm up lap).
- **The starting signal for all classes will be given by means of LIGHTS.** In the event of failure of the lights, the starting signal will be given by the lowering of the MSA Flag by the Starter.
- Observers may be appointed to observe for jumped starts.
- **Definition of a “Starter”:** To be classified as a STARTER, a competitor has to cross the start line and activate the timing system after the start signal has been given.
- Competitors must complete at least three continuous practice laps prior to participating in a race.
- Protest regarding a starting position, refer **GCR 200 (iii).**

WARM – UP LAPS:

- All remaining classes will have warm-up laps as per the programme.
- **PLEASE NOTE:** all warm up lap must INCLUDE the 180’s.

21. WEIGHTS / WEIGHING AND TYRES

(a) Weights and weighing:

- All competitors must compete at the correct weight as specified in the MSA Karting Regulations and the individual regulations for the “Club classes” if not specified in the MSA Karting Regulations.
- It is compulsory for all karts and drivers to be weighed after qualifying and every race.
- Drivers will not be permitted any outside assistance with their karts until they have been weighed. Any such outside assistance with their karts will result in possible exclusion / penalties by the C.O.C.
- THE SCALE AREA IS A RESTRICTED AREA FOR OFFICIALS AND RELEVANT COMPETITORS ONLY.
- **Karts may NOT be driven onto the scale** – penalties will apply for ignoring this rule.
- **Underweight** – refer to **Section A, Article 11 (v)** for applicable penalties.
- **Please refer to: Section E, Article 18 (xxiv), Section J, Art. 23.14 and Section K, Articles 24 to 31.**

(b) Tyres & Engines:

WP CLASSES

- Refer to **Section E, Article 18 (xxx) inclusive** and **Section J, Article 23.2 inclusive**.
- Competitors must compete with the specified tyres as per the MSA Karting Regulations and Club Classes Regulations.
- Tyres will be identified by the Scrutineers and competitors found using illegal tyres (wet or dry) will be excluded from prior qualifying or races.
- The number of slick and wet weather tyres each competitor may use is restricted to a maximum of one set of four for each event from the start of qualifying.
- Replacement of tyres – for safety reasons, at the discretion of the Clerk of the Course and/or Scrutineer.
- It is the sole authority of the Clerk of the Course to declare a “wet practice/qualifying/race” as well as withdraw authorisation for wet weather tyres.

ROK CLASSES

1. Tyre vouchers and engine rentals will be payable at the RKT truck via credit card at the event

2. Tyres to be used are as per the 2018 MSA Karting Handbook.

2. Tyres to be used from Qualifying must be purchased from the RKT for the following classes:

Mini Rok	R2200.00
Super Rok/DVS	R2900.00
MSA Academy	R2900.00

3. These tyres will be controlled via the Bar Code that is printed on the tyres that will be captured when collecting tyres from documentation.

4. The onus is on the competitor to ensure the correct tyres are fitted to his Kart.

5. Engines for the following classes will be run on an engine ballot basis:

Micro Rok	R900.00
Super Rok/DVS	R5000.00
MSA Academy	R4000.00

6. After qualifying engines may be rotated between competitors at the discretion of the promoters/organizers.

22. FUEL & OIL

- Competitors, excluding Clubmans, must provide their own fuel and oil following these instructions. It is compulsory to obtain your fuel from the **Caltex Wetlands**, situated at Koeberg Road, [Killarney, Cape Town](#), Latitude/Longitude: S 33° 50' 5.28" E 18° 31' 35.04" (-33.83480, 18.52640) Pumps number 10 and 11 are identified for the event and only fuel from this pump is permitted. The fuel used for this event will be '95 UNLEADED octane fuel. Fuel testing/control will be imposed for all classes and will take place in Parc Ferme, both pre and post-race.
- All WP classes (including Cadets excluding Clubmans, Micro and Mini Max) - It is compulsory for competitors to mix their fuel for this event with synthetic ROTAX XPS KART TECH 2 – STROKE OIL. The compulsory ratio is 40:1 for ROTAX MAX Classes and at 25:1 for the Cadets Class.
- Fuel testing will be conducted using a Digatron tester in the pre-race paddock area and no Competitor will be allowed to start with fuel deemed to be illegal. Should the dielectric strength of a Competitor's fuel vary by more than 3 points (up or down) from the Organiser's sample for the class concerned, it is

deemed to be illegal fuel. If the level of fuel in the tank is too shallow to get a proper reading, a Competitor may be asked to siphon some into a container such that a proper reading can be obtained. Those with illegal fuel will be requested to empty their tank, refill with a fresh mix, have it retested, and the tank lid refitted tightly before being allowed onto the grid. Once allowed onto the form-up grid, no tampering with fuel tank lids, topping up of tanks, or opening of carburettors will be allowed. The Organiser's also reserve the right to test a Competitor's fuel at any other time during the day. The Technical Consultant's ruling on any fuel test is final.

Rok Class

The fuel to oil ratios for Micro Rok, Mini Rok, DVS/Super Rok and MSA Academy classes is 4% oil and the only oil permitted is Petronas Rok Lube.

Competitors, must provide their own fuel and oil following these instructions. It is compulsory to obtain your fuel from the **Caltex Wetlands**, situated at Koeberg Road, [Killarney, Cape Town](#), Latitude/Longitude: S 33° 50' 5.28" E 18° 31' 35.04" (-33.83480, 18.52640) Pumps number 10 and 11 are identified for the event and only fuel from this pump is permitted. The fuel used for this event will be '95 UNLEADED octane fuel. Fuel testing/control will be imposed for all classes and will take place in Parc Ferme, both pre and post-race.

Fuel is to be purchased on Friday 11th May 2018 from the above, and will be the ONLY fuel allowed.

23. RACING, CONDUCT, SAFETY

Please refer to **Section A, Articles 11(incl.), Section B, Article 15(vi) and (vii), Section E, Article 18 (i - viii) and GCR 172 (inclusive)**. The Organisers will run events strictly to the above-mentioned rules and regulations.

- **Outside Assistance:** - Refer to **Section E, Article 18 (xxv and xxviii)** for penalties and exceptions.
- **Conduct** relating to competitors, parents, assistants and officials - refer to **GCR 172**.
- **Intimidation or interference by other parents / adults / competitors towards another competitor (especially a minor competitor) will incur a severe penalty by the Clerk of the Course or MSA Steward. Any such incidents MUST be reported immediately to the Clerk of the Course to deal with on the day. Action cannot be taken after the event unless there are valid, exceptional reasons.**
- **Observers**, whose duties it will be to report on persistent on/off circuit poor behaviour and / or poor driving standards, may be appointed.
- **Fuel, oil or coolant spillage** on the circuit: Any kart spilling fuel, oil or coolant should leave the circuit immediately to a safe and stationary position on the side of the circuit. Competitors who attempt to return to the pits with a kart spilling fuel, oil or coolant onto the surface of the track may be fined not less than R750-00 and not more than R5 000-00.

- No spraying of karts/engines with solvents is permitted in the pit area.
- Alcohol, smoking and naked flames are strictly forbidden in the entire pit, pre-race and Parc Ferme areas.
- Under no circumstances will, skateboards, j-boards, balls, quad bikes, scooters, motorbikes, etc be allowed in the vicinity of the karting facilities. The Organisers reserve the right to confiscate these items.
- **No pets are allowed.**
- No tampering with other competitor's equipment / karts will be tolerated. Severe fines will be imposed by the C.O.C.
- As per **Section B, Article 15 (vi)(a)**, competitors will be fined R500 if found driving in the pit / pre-race and Parc Ferme areas.

25. SIGNALLING / FLAGS

- Please refer to **Appendix H (inclusive)** as well as **Section B, Article 15 (x) and Section E, Article 18 (v)**.
- A green flag with yellow chevron will be used to signal a false start.
- **Stopping of a race:** Refer to **Section E, Article 18 (xxi)**.
- **Black flag:** Refer to **Section A, Article 11 (iv)**.
- The Green flag will not be shown to indicate that the track is clear of dangerous situations.
- The Blue flag with Red diagonal crosses, shown with the competitor's number, will be used to indicate that he/she is circulating too slowly and must exit the circuit.

26. END OF THE RACE and DEFINITION OF A FINISHER

- The waving of the chequered flag, after the last lap board, will signify the end of a race. Refer to **Section E, Article 18 (xv)** for instances when the flag is displayed too early or after required number of laps.
- All competitors, on completing a race, must proceed at a REDUCED speed, raise their arm in the required manner to warn other drivers, and proceed directly to the scale to be weighed. **No passing of competitors who have not yet taken the flag is permitted.**
- **Definition of a “Finisher”:** To be classified as a FINISHER, a competitor has to have completed two thirds of the race distance (67% rounded down the nearest whole number of laps).

27. PARC FERME, POST RACE SCRUTINY and ELIGIBILITY

- Refer to **GCR’s 166 (i)** and **252** as well as **Section A, Articles 11 (ii) and 12.**
- Competitors who took part in a race, are required to bring their karts to Parc Ferme after the completion of their final race of the day. Competitors who remove their karts from Parc Ferme, or who themselves leave before 30 minutes have expired without approval of the Clerk of the Course, will be liable for possible exclusion / penalty.
- **Post Race Scrutiny / Eligibility:** Refer to the above GCR’s and Articles. Notwithstanding the provisions therein, the Organisers have instructed the Chief Scrutineer and or Technical Consultant to perform technical compliance checks at their discretion.
- **Note:** Engines, carbs, exhausts, etc that have been handed in to the Scrutineers during an event **MUST** be collected by the competitor prior to the start of prize giving. The Organisers and/or Scrutineers will not be held liable for any loss, damage of said equipment due to non-collection.
- **WHAT IS NOT SPECIFICALLY PERMITTED IS DISALLOWED.**
- **Only Officials and authorised assistants are allowed in this area.**
